**Excalibur**  
SPORT & BUSINESS CARRIER

## No worries ...

Made and developed for any kind of daily loadings, but showing up with an extra-ordinary design of the elegant and aerodynamic fiberglass body.

The Excalibur trailer is available from 750 kg up to 1,800 kg gross weight.  
Transport your goods dry and safe!

Sports  
+  
Bikes

The ultimate way to transport your goods.  
Whatever you transport, either a go-kart, a motorcycle or bike, or even a hot-air balloon - the Excalibur trailer takes all those items safe and protected.

*... just carries!*

Using the Excalibur trailer for business purposes or just for fun - it is always an eye-catcher.

**SPORT & BUSINESS CARRIER**

Products  
+  
Business

Enjoy the additional benefit of that appealing travel companion as an ideal advertising medium - it is just unbeatable.

# Design and Colors!

Red White Grey Yellow

## Special colors

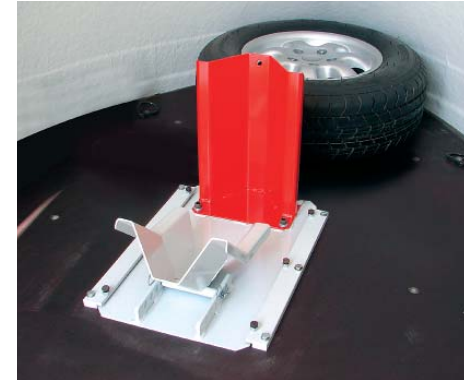

Silver-Metallic Black-Metallic Black Blue Customstyle

Two different sizes are available. For the measurements of the models S1 and S2, please, have a look at 'Technical Data'. Besides those options as brackets and clamps a business package with aluminium cover and integrated spare wheel holder is also available.

Type S1

Type S2

Motorcycle wheel chock

Tray for bikes higher than 150 cm

On inquiry we can offer further solutions to extend the usefulness of the trailer.

Business package with spare wheel
